LYF Sponsors *Dilemma Uncovered* Performance

On Saturday, September 6th over 80 kids and kids at heart descended on the Community Center to hear local band *Dilemma Uncovered* perform. A fantastic time was had by all, as the band played over 2 hours of original music to an enthusiastic crowd with Chris Mann on guitar and lead vocals, Dominic Mann on drums and Ben Highlander on bass. According to Ben, the band ‘had a blast and probably had the best time ever at a concert.’”

Lake Youth Foundation would like to thank the band for coming out to play, as well as the hard working volunteers who gave up their Saturday night to make this special event happen: Hank Lewis, Terri Miles, Curtis Krauth, John and Karen O’Donnell, Austin Nammock, Mary Kramer, Lois and Selven Powell, and Pierce Crowell. Thanks to Elle Hayes and Chloe’ Krauth for help with concessions, and Eric Kramer with his light assistance. Special thanks to Jake Brandt for his help setting up and packing up lights, and to Jessica and Easter Bowman for lending their Teen Center expertise. And finally, thanks to Dodson Security for sending Kevin M., (crowned by the kids as the “cool security dude”), to help keep everything safe.

Do you have ideas for future events targeting middle school and high school age youth? Please call Lee at -5885, or email info@lakeyouth.org.

Fifteen Super Sitters Graduate

On August 11th and 12th LYF held a Super Sitter Workshop. Students learned safety training with lessons in First Aid and CPR; how to handle babies with confidence; practice discipline and the art of initiating fun activities that young children will enjoy. Mary Lou McFarland developed this course and was pleased to graduate fifteen youth who are ready to babysit. Each graduate was presented with a special “Super Sitter” totebag that can be used to hold games, contact numbers, toys and other items helpful to a babysitter. If you would like more information about this course or need a babysitter, contact her at 540-972-1483.

Santa Is Coming To LOW!

We have been in touch with Santa by email and he says to save the date of Saturday, December 13th for a visit. He promises to come and visit earlier in the day this year. Last year we made appointments for visits and that worked nicely. We will make appointments again this year. Watch the Lake Currents for times and a phone number.

Fall Is Here!

Scholarships Announced and Awards Given To Youth

In June, the Lake Youth Foundation awarded five scholarships to Lake of the Woods high school seniors who attended Orange County High School and James Monroe High School in Fredericksburg. The recipients of these scholarships must reside in Lake of the Woods and have volunteered their time and talents to better their community.

We were very proud to award a \$1,000 scholarship to Logan Chesire and four \$500 scholarships to Amanda Neely, Daniel Hawkins, Robbie Davis, and Keegan George. The above youth are truly a credit to our community and we wish them much success in their future endeavors.

In addition we are very pleased to announce that our \$500 scholarship recipients Amanda Neely, Robbie Davis, Daniel Hawkins and Keegan George were recently awarded the Lake of the Woods Outstanding Youth Award. These awards were presented at the LOW Annual Membership meeting held on Monday, September 1, 2008. We wish these young adults success as they embark on their respective undergraduate degrees!

The Easter Bunny made a surprise visit and children, parents and grandparents were treated to cookies and juice. Message From The President

Our Board of Directors hope that everyone enjoys the family events and educational programs that we provide annually to LOW residents and guests. We are very excited that more and more young families are participating in our events; however, our board is finding it harder to plan, schedule and find volunteers for these activities. Therefore, LYF is asking for your help in the following areas:

Volunteers: If you are interested in helping to plan or work the day of our Visit With Santa, Easter Egg Hunt, Children's Fishing Tournament or Cardboard Boat Regatta, please contact Diane at 972-8634 or Connie at 972-0083 or by email at info@lakeyouth.org. Duties may include making posters, taking reservations; serving snacks, taking photos, etc.

Sponsorships: Last year our foundation awarded \$3,000 in scholarships to graduating high school seniors. These funds were donated by local businesses and LOW families that truly care about the youth in our community. LYF is currently looking for new sponsors so that we can match or exceed last year's funds. If you work at or know of a corporation or small business that would be willing to donate to our scholarship fund, please have them contact Diane at 972-8634 or by email at info@lakeyouth.org. We have various sponsorship levels that are listed on page 3 in the left hand column of this newsletter but we will graciously accept any monetary donation that you would be willing to donate. The youth of this community would really appreciate your generosity so they can continue their education at a college of their choice.

Board of Directors: The Lake Youth Foundation consists of a 10-member board of directors who basically plan all of our events, educational workshops and scholarship programs. If you would be willing to devote a few hours each month to attend a board meeting at 9:30am on the 1st Thursday of the month, please contact Diane at the above phone number or email address. We would love to get some new ideas so we can plan events for children as well as the youth in our community. We will be eagerly waiting to hear from our friends and members soon! – Diane Hileman
